

ANNOUNCEMENT

TO: Georgia PeopleSoft Financials Users

POSTED: December 5, 2019

SUBJECT: System Maintenance Completed for FPLAY Database

Georgia refreshed FPLAY during the week of November 25 - December 4, 2019 and FPLAY is now available for use. The FPLAY environment is used by institutions for Georgia Marketplace training, for prototyping and testing transactions and queries, and for Banner integration testing. Users can access FPLAY by clicking the "Georgia FPLAY" button on bottom right of the [Georgia homepage](#).

ACTION NEEDED: ITS recommends all users clear their Temporary Internet Files (browser cache) before logging back into the system. It is highly recommended all users
