

Resolved: Known Issue - KI9.2-133_ePro: Closed Requisitions Not Liquidating

UPDATED: October 20, 2020

STATUS: Resolved

RESOLUTION: An Oracle fix was applied to production on October 16, 2020 to resolve this issue. Requisitions now liquidate pre-encumbrance balances when the Closed Requisition Process runs.

NAVIGATION: NavBar > Navigator > Purchasing > Requisitions > Reconcile Requisitions > Close Requisitions

ISSUE: Requisitions were not liquidating pre-encumbrance balances when the Close Requisition Process ran.
